Hi Everyone

Grab a cuppa and have a quick browse at some of our recent projects! We are well known for our Table settings so I thought I might show you some of the other things we get up to.

Signage & Bollards

We manufacture signage, Bollards and Block Seats in all shapes and forms in solid environmentally friendly Macrocarpa.

Light Panels

Talk to us about custom light panels or interior furniture which we can colour match and finish to match existing furniture if required.

Tourism & Public Space

The Kiwi Experience and natural environmentally friendly feel is now a big priority in Tourism, Hospitality and Public Space's. We would love to work with you on your projects to help create this.

The Bottom Right pic is a project with Paving Solutions, Palmerston Nth & Horizons Regional Council.
