

The demand for more "natural" play and outdoor learning environments in education has meant the Big Mac team has had a busy start to the year with upgrades nationwide. Pictures of a few of the projects are in this newsletter to help provide you with inspiration for your school. Check out www.bigmacslabs.co.nz for more idea's & info on our **Sponsor A Seat program** starting June. We trust you will find something of interest in our newsletter. Have a great term!

This impressive 4.6m Table setting was fundraised for by a small group of parents from Raumati Beach School. It is great to see "friends & Family" supporting their schools in this way. This setting can accommodate over 20 kids at once so is going to get A LOT of use!

The setting below is utilised for Team Talks and strategy for sports teams as well as daily school activities and lunch breaks.

SPONSOR A SEAT Programme

Starting in June we are encouraging Businesses & Families to support their local schools & community groups by donating a seat. We will have info up on our website shortly for you to share. www.bigmacslabs.co.nz

Promoting School Values with sign boards or pillar posts in prominent area's serves as a constant reminder of your school culture. Design something yourselves or come up with a concept and we will do our best to create it for you.
