

Spring 2017 Commercial Newsletter

www.bigmacslabs.co.nz

Big Mac Slabs Furniture can be found nationwide in all manner of high use environments.

If you have projects requiring furniture that can handle the elements – look no further!

Commercially we service most industries from Early Childhood to Retirement Villages and everything in between.

Environmentally Friendly

Our furniture is made from sustainably sourced Macrocarpa and unless otherwise specified is coated in Food Safe Environmentally Friendly coatings.

Timber has a timeless style that is prevalent in both commercial & residential projects.

If you have a design in mind – talk to us about how it can be a reality!

If you are looking for inspiration – check out our website or email us for brochures on specific markets.

If you need to source suppliers or products that will stand the test of time – make use of our 30 years in the industry!

Big Mac Slabs furniture is ideal for Waterfront locations

Big Mac Slabs furniture handles high use environments like Hospitality nationwide.

This 5m table seats a class of kids at a time and is ideal for school Outdoor Learning projects and Birthday Parties!

Holiday Parks and Tourism operators are utilising more wood in their projects to create a more "Natural" environment.

The Retirement sector loves the stability & durability of solid furniture in their facilities
