**Signage** Big Mac Slabs Furniture creates designs that bring practicality and durability and capture the essence of the timber to create natural environments.

Commercially we service most industries from Early Childhood to Retirement Villages and everything in between.

Timber has a timeless style that is prevalent in both commercial & residential projects. It is great for a eco-friendly, natural brand.

Indoors or outdoors - if you have a design in mind – talk to us about how it can be a reality!

If you are looking for inspiration – check out our website or email us for brochures on specific markets.

If you need suppliers or products that will stand the test of time – Email us & pick our brains! 30 years in the industry!
