Make the Most of Summer.....

We trust you are making the most of the great weather and entertaining outdoors.

If your furniture has suffered sunstroke – feel free to send us a picture and we can tell you what to do. It is easily maintained.

We have been busy with both interior and exterior furniture – a few of which are in this newsletter.

Kitchen Islands and side tables are a great way to utilise space without closing a room in & are not too hard on the bank account either!

As it is “Wedding Season”, we have also been making wedding and celebration seats that have been shipped nationwide. If you have an occasion approaching – talk to us about making something special.

Our Paraparaumu site is still growing and now has Wood Fires, Garden Edging, Spa Pools & Designer Wall Panels as well has a huge selection of Art & Sculpture.

Indoors or Outdoors – Big Mac Slabs Furniture has the solution for YOU!
